

Please join us for a fun-filled family day at The Willows to Support the Family of David Michael Laub (1969 – 2009)

David, beloved husband to Leah Zimmermann-Laub, and devoted father to Nolan, 3, Hannah, 1, and Ryann (who passed in 2005 at 5 months old due to SIDS), struggled with heart problems since he was a child. Having endured three open heart surgeries before the age of 30, David died suddenly of heart complications at Phoenixville Hospital on Tuesday March 3, 2009. Unfortunately, he did not qualify for life insurance due to his pre-existing heart condition.

David loved his family, friends, food and music. So, let's bring them all together in honor of him and to support his family.
